There is no place like Switzerland for relaxation, outdoor sports and healing getaways. The quality of the fresh air and the astonishing number of healthy spring water sources draw visitors every year to soak up its Alpine magic.

If you are a lover of wellness, exquisite forest views and high-end hospitality, these luxurious Swiss spa resorts know how to pamper:

The Chedi Andermatt

Here is a place where Asian healing meet modern Swiss Chalet design in the heart of a small village surrounded by picturesque nature: The Chedi is not only an international winter hotspot for skiers, and food and wine lovers, but it also draws guests in summer to hike or simply relax. The hotel's hydrotherapy oasis consists of hot pools, saunas and steam baths, designed in the most contemporary and beautiful way—it makes you feel instantly zen as you walk in.
