PARISIAN STYLE

Zurich based luxury multi-brand retailer Tasoni presents Lanvin's Fall/Winter 2025 collection which marks the debut of artistic director Peter Copping as designer of this iconic Parisian fashion house. The collection pays homage to the Maison's historic archive, reinterpreting the fluid lines, luxurious materials, and silhouettes inspired by Jeanne Lanvin's robe de style and evening dresses. Lanvin's campaign was shot by Vito Fernicola and stars Malgosia Bela and Mouha Seck, capturing the essence of French charm and glamour with a subtle reference to the 1920s and a soft colour palette dominated by the iconic 'Lanvin blue', a hallmark of the house. The new Lanvin collection is available at the Tasoni boutique in Zurich at St Peterstrasse 1.
